ORDER

Pending is the defendants' motion to place psychological records under seal. The defendants included psychological records as Exhibit 1 to their motion for summary judgment (ECF No. 56). The defendants indicated their intent to file these records under seal in support of the motion to dismiss but they failed to seal the exhibit. The plaintiffs did not file a response to this motion.

Based on the sensitive information within the exhibit, the court finds good cause to seal the document. It is therefore ORDERED that the motion to place psychological records under seal be, and it hereby is, granted. The records are to be placed under seal until further order of the court.

The Clerk is directed to place Exhibit 1 of the defendants' motion for summary judgment (ECF No. 56) under seal, and to transmit copies of this order to all counsel of record and any unrepresented parties.
